

# UU Church of Greater Lansing - Mission and Vision Statements

(approved by congregation 2012)

## Mission

The Unitarian Universalist Church of Greater Lansing is a welcoming religious community that encourages freedom of belief and responsibility of action. Inspired by love, we honor diversity, work for justice, and continue to learn and grow throughout our lives.”)

## Vision

We encourage responsible action through our:

- Diverse religious community – which provides a welcoming environment in which we actively connect with and care for one another in all our diversity and life transitions.
- Unitarian Universalist philosophy and ministry –which inspires and comforts us through worship, music, and the arts, and through which we work together in covenant to nurture non-creedal religious freedom and growth.
- Personal growth – which nurtures and develops a spiritual and intellectual understanding of life and the world through our life-long faith development programs and an open-minded search for meaning.
- Work for Justice – which recognizes the inherent worth and dignity of every person, and promotes a more just future for the wider community through outreach and service toward effective stewardship of the earth and its inhabitants.
